

# Dixie Amateur Radio Klub

## Who Are We?

We are an ARRL Affiliated Club

- ▶ We assist in Emergency Communications
- ▶ Assist in Learning Amateur Radio
- ▶ Promote Good Operating Practices
- ▶ Operate a Radio Repeater 147.390 MHz

## What can you do as an Amateur Radio operator?

Amateur Radio also known as Ham Radio is a mixture of old and new technology. Helping out in time of a natural disaster.

- ▶ Modes: CW (Morse Code). Phone, Digital, and Video
- ▶ Bands: HF, VHF and UHF+
- ▶ Power Sources: A/C, Battery, Solar and even Human powered
- ▶ Places to Use it: Mobile, Home, anywhere you are.
- ▶ Contests: Too many to try to list - Something for All
- ▶ Talk to people Local and around the world
- ▶ Learn how radios work
- ▶ Meet people with same interests

- ▶ Kids can might find these Amateur Radio Comic Books fun. Website is. [http://www.icomamerica.com/en/amateur/comic\\_book/](http://www.icomamerica.com/en/amateur/comic_book/)
